### **The Christmas Yoga Scholarship**

Thank you for your interest in applying for a scholarship to attend the Coast Flow Yoga's Fall 200Hr Teacher Training program. We are committed to making yoga accessible to everyone and are proud to offer financial support to students who demonstrate a genuine passion for yoga and a need for financial assistance.

A beloved member of our yoga community has generously stepped up to offer a scholarship fund. She completed her 200-hour yoga teacher training last year and went on to complete her 300-hour training and we offer this scholarship to honor her transformational journey. Her experience with training was deeply impactful, changing how she sees the world and inspiring her to share the benefits of yoga with others. Her dedication and passion for yoga embody the spirit of this scholarship, and we hope to provide others with the same opportunity for growth and transformation.
